

# CRAZY 4 POKER

## Getting Started

Make equal bets on the Ante and Super Bonus to receive your five cards. The dealer will get five cards too. You are looking to make your best four card poker hand to beat the dealer's best four card hand.

## Play or Fold?

The dealer needs King high to qualify. If you elect to play you make a bet equal to the Ante in the Raise bet. If you have a pair of Aces or better you may play up to 3x the Ante. If you fold, you forfeit your Ante and Super Bonus bets.

## Queen's Up Side Bet

Optional bet that pays when the player has a pair of Queens or better. See payable while playing.
